

Contract Assembly, Packaging and Sterilization

For better outcomes, let
EAGLE OUTSOURCE do your
assembly, packaging and sterilization.

At **EAGLE OUTSOURCE**, we understand the unique requirements of single-use medical device packaging, and offer the latest in automated packaging technology using proven procedures to optimize efficiency and quality throughout the process.

We provide complete turnkey services. We can procure your materials and complete the assembly, packaging and sterilization of your products.

You'll join a prestigious client roster that includes Alcon, Allergan, Bausch & Lomb, Cardinal, Baxter Healthcare and DeRoyal.

Eagle Outsource is a division of Eagle Labs, a leading manufacturer of single-use ophthalmic cannulae and surgical knives for over 20 years, with extensive experience manufacturing and packaging single-use medical devices.

So Whether You Need Packaging for Several Thousand Products or Several Million, You Can Depend on Eagle Outsource to Do It Efficiently and on Time.

COST EFFICIENCY. EXCEPTIONAL QUALITY. RAPID TURNAROUND.

Using leading-edge automated form, fill and seal equipment, Eagle Outsource delivers quality finished products that save you money. We offer quick turnaround on the following services:

- Procurement
- Assembly
- MULTIVAC FFS packaging
- Tyvek pouch and bag sealing
- Tray sealing
- Sterilization
- Validation
- Final boxing

WE'RE ISO 13485 CERTIFIED AND FDA REGISTERED

Our established protocols assure the highest level of quality during receiving, inspection, assembly, packaging and sterilization. In addition to ISO 13485 certification and FDA registration, our facility includes a Class 8 (100,000) clean room with Class 100 laminar flow hoods.

WE TAKE CUSTOMER SERVICE PERSONALLY.

We're a multi-generation, family-owned and operated business with over 40 years of experience in the single-use medical device manufacturing and packaging industry. And while we depend on sophisticated equipment to package and sterilize your products, you can always expect personal one on one attention from our professional team of manufacturing and quality experts at Eagle Outsource.

FOR ALL YOUR ASSEMBLY, PACKAGING
AND STERILIZATION NEEDS,
